

“Get More Payment Activity by Accepting Credit Cards Everywhere”

If you're pondering how you can ease payment acceptance and increase payment activity for your school, our mobile card readers are the answer. With our mobile card reader you can accept payments anywhere.

Have several readers on hand at your next **fundraising auction** to leverage impulse giving, reduce administrative hassles and avoid card-not-present fees. Make them available to **lunch room** staff, for **campus store** sales or even **bake sales**.

Enjoy these great features and benefits:

- Accept credit cards everywhere you have cellular or WiFi access
- Express Checkout Options to speed up transactions
- Save on card-not-present fees
- Get payments faster
- Email receipts including optional maps
- Digital signature capture
- Minimize administrative work
- Compatible with your existing merchant account
- Fully encrypted, end-to-end
- Low battery consumption of mobile devices
- No external power supply required

Visit our blog to learn more about how mobile card readers can ease payment acceptance and increase payment activity for your school.

Accept Payments, Anywhere You Are.
