

Manage Tuition on Your Terms

Managing tuition should be simple—efficient for schools and convenient for families.

TuitionPay®, offered through Diamond Mind®, is a comprehensive online tuition management system designed to simplify payment processes for both schools and families. It provides flexible online options that enhance convenience while reducing administrative workload. Automated tracking accelerates collection, minimizes manual tasks, and improves efficiency. Schools maintain full control over funds while strengthening relationships with families, ensuring a seamless and reliable experience.

“ We have found TuitionPay to offer excellent credit card processing rates as well as great service.

Effortless Tuition Management for Schools and Families

SEAMLESS WEBSITE INTEGRATION FOR A BRANDED EXPERIENCE

Give families a frictionless way to pay tuition online—whether in full or through flexible plans—while maintaining a consistent, professional design that reflects your school’s brand and enhances trust.

FLEXIBLE, CONVENIENT PAYMENT OPTIONS

Parents can quickly set up one-time or recurring transactions using ACH/electronic checks, credit, or debit cards. Saved payment details allow for quick, hassle-free processing without repeated data entry.

AUTOMATED TRACKING, REPORTING & REAL-TIME INSIGHTS

Families can enroll in tuition plans, track balances, and update details—without contacting the school office. Schools get a centralized dashboard with real-time transaction visibility, easy SIS/accounting exports, and automated notifications for payments, reminders, and failed transactions.

CUSTOMIZABLE PLANS TO MAXIMIZE TUITION COLLECTION

Schools can offer flexible payment options with adjustable installments, frequencies, and due dates. Cost-neutral configurations ensure compliance across states while making tuition more manageable for families.

STREAMLINED MANAGEMENT & RECONCILIATION

Easily create, edit, and track participant accounts in one place. Automated reconciliation eliminates manual errors, reduces administrative workload, and improves efficiency across campus operations.

SECURE, RELIABLE TRANSACTIONS WITH BUILT-IN COMPLIANCE

TuitionPay ensures **safe, encrypted processing** for every transaction, protecting sensitive financial data for both schools and families. With built-in compliance for industry standards and **cost-neutral options** across all states, schools can manage tuition securely and confidently.

Diamond Mind® Payments

Diamond Mind is a leading provider of digital payment solutions for private and independent K-12 schools, offering fast, easy, and parent-friendly payment processing. Trusted by over 1,500 schools, Diamond Mind enhances revenue, increases flexibility, and improves the payment experience for both schools and families. Our comprehensive payment solutions span across tuition, online giving, summer programs, purchase card programs, and more.
